

Why Are Millennial Moms So Happy?

Millennials, the youngest generation of moms currently in the workforce, feel more supported by their partners at home and their managers at work—and feel better compensated than their Gen X or Boomer peers, according to a new Working Mother Research Institute survey. **Download the full *Mothers and Daughters: The Working Mother Generations Report* at workingmother.com/generations**

Millennial Moms
(Born 1981–2000)

Generation X Moms
(Born 1965–1980)

Baby Boomer Moms
(Born 1946–1964)
